Comments:	Didn't know this all existed. I served in Vietnam from June 67 to June 68. I was first with Charlie Company 2/12th and then HHC. I stay in touch with Richie DiBacco who lives in California. I wonder what Dau Tieng looks like today. My best friend in Charlie Company was Jimmy Strickland. He got killed in February 68.

Enjoyed seeing photos; where has time gone. Glad there are still lots of us around to tell our story. Far to many young people know nothing about Vietnam war. Have a great New Year.

Comments:	C/2/12 69-70 Great job Arnold. Something you said hit close to home. You rhetorically asked why you'd waited so long to try to find your buddies. I started looking soon after returning in late 70. It was more of a hasty ambush than a movement to contact but some contacts were made. I think I found an explanation that satisfied me and my need to fellowship with my brothers at www.maketheconnection.net , a VA site. In case you're not familiar with it choose the "Connect By", "Life Events and Experiences", and "Retirement and Aging". My local VetCenter counseling is helping as I've retired from three entities and don't intend to make it four. See ya in Gatlinburg in June!

Things were relatively tame during my three or four months; and, in that winter period, most of our actions occurred while the 3d Platoon was in trail. Nevertheless, I still have some vivid memories; some harrowing, but mostly the standard GI-life stuff stuck in Vietnam with a bunch of wise-ass jokesters. You guys are still a hoot! If someone triggers a brain cell or two, and I drink enough wine, perhaps I will share my recollections from the lofty perspective of a 20-year old lieutenant -- not one of the most comfortable or brilliant aspects of my brief military career, but clearly some of my more memorable moments.</p> <p>I'm thrilled that the Internet has brought so many of us back together. for those who haven't gotten the nerve to try it, the Charlie Company Reunion is quite a happy event. While our "class of 68-69" remains in the minority, it's great to see you guys</p>

and your brides after more than forty years. Marion and I look forward to returning to the Smokies at the end of June for a little hiking, a little healing, and pile of good food and comraderie.

I still owe John Makita a phone call -- so, if you read this John -- I've taken an oath before the ancient ones of the 3d Platoon to call you from my home in neighboring Moosup.

Keep the faith and don't stop smiling!

Comments:	<p>Christmas story from long ago.</p> <p>This is from a guy who served with the Big Red One (First Infantry Division) from 1961-1964 same time period as me. We have never met face to face,not then or now.He was in Delta Co.2nd BG, 12th Inf.& I in Alpha Co.2nd BG,12th Inf.at Ft. Riley Kansas. But we have been internet friends for about 10 years now. We exchange emails,Christmas cards & speak on the phone several times a year.</p> <p>This IMO,is a great Christmas story.</p> <p>Big Red One Christmas 1961</p> <p>Fifty years ago this evening I was at Ft. Riley; an 18 year old mortar crewman spending his first Christmas away from home & family. After stumbling back to quarters following an evening consuming Schlitz beer at a nearby PX with others from my platoon, it seemed like a good idea to hang one of my cushion-sole GI boot socks (OD in color) from a butt can nail -- after all, it was Christmas Eve.</p> <p>The following morning, slightly hung over, I rushed to retrieve my sock before anyone saw how childish I was to have hung a traditional Christmas stocking.</p> <p>To my total surprise, the sock contained an orange, a banana, a pair of nail clippers, & a pack of Pall Malls! Don't try to tell me there's no Santa Claus!</p> <p>Merry Christmas everyone.</p>

Comments: I served with A company from March of 1969 till March of 1970. My 'home' for most of that time was Fire Base Pershing. My bunker for the most part was just left of the main gate of Pershing. Our dump was just down the hill from my bunker. But not down wind.

I was wounded on 20 April 1969.

I remember when we built the sniper tower that summer. I was also at Peshing when we dismantled her and moved to FSB Kien in February of 1970.

I have saved a fair amount of pictures of Fire Base Pershing, Trang Bang, Base Camp Cu Chi and a lot of photos of comrades in arms. Sad to say that I lost the memories of their names. If you served with me, please e-mail me and I will send those photos to you. If you are a family member of one of the 2/12 warriors I might have a photo for you.

I am proud to have served with the 2/12 and the 25th Infantry Division.

May GOD be with all of you and may HE Bless this great nation of ours and may HE protect our troops today.

Mike from the great state of Wisconsin.
